WINEPORT
LODGE

Just an hour from Dublin or Galway at the very heart of Ireland, Wineport Lodge is perfectly placed for a real celebration. The moment the lake catches your eye, you feel a world away from anywhere.

Built to maximise the view from every room and space, Wineport Lodge feels like part of the landscape. Natural wood flows from outside in, while warmth and comfort beckon at every turn. Nature surrounds the Lodge for garden celebrations right at the water's edge.

A scenic view of a large body of water, likely a lake or bay, with a clear blue sky. In the foreground, there is a rocky shoreline with some sparse vegetation. The water is deep blue, and there are numerous reeds or tall grasses growing in the shallow areas. In the background, a large island or peninsula is covered in dense green trees. The overall atmosphere is peaceful and natural.

AN OASIS OF PRIVACY JUST
AN HOURS DRIVE FROM ALMOST ANYWHERE

*The light on the lake is forever shifting
ensuring you and your guests
never see the same view twice.*

A woman in a white wedding dress stands on a large rock in the foreground, looking up and to the right. The background features a large body of water with a dam structure, surrounded by green hills and a clear blue sky. The text "MORE STYLE, MORE ROMANCE AND MORE YOU" is overlaid in the center of the image.
